Customer Proprietary Network Information (CPNI)

CPNI is information made available to us solely by virtue of our relationship with you that relates to the type, quantity, destination, technical configuration, location, and amount of use of the telecommunications and interconnected VoIP services you purchase from us, as well as related billing information. The protection of your information is important to us, and you have a right, and we have a duty, under federal law, to protect the confidentiality of your CPNI.

We may use and share your CPNI among our affiliates and agents to offer you services that are different from the services you currently purchase from us. Verizon offers a full range of services, such as television, telematics, high-speed Internet, video, and local and long distance services. Visit Verizon.com for more information on our services and companies.

If you don't want your CPNI used for the marketing purposes described above, please notify us by phone any time at 800.333.9956, online at vzw.com/myprivacy or through Customer Service at 800.922.0204 from Monday - Friday 7 AM to 11 PM and Saturday - Sunday 8 AM to 9 PM.

Unless you notify us in one of these ways, we may use your CPNI as described above beginning 30 days after the first time we notify you of this CPNI policy. Your decision about use of your CPNI will not affect the provision of any services you currently have with us.

Note: This CPNI notice does not apply to residents of the state of Arizona.

California - Questions About Your Bill?

Call Customer Service at 800.922.0204. Send written disputes to: Verizon WirelessAlltel, Customer Service, 777 Big Timber Road, Elgin, IL 60123. If you are disputing a charge because you contend it was not authorized, and we need time to investigate the complaint, you are not required to pay the disputed amount while our investigation is pending. If you have a complaint you cannot resolve with us, write the California Public Utilities Commission at Consumer Affairs Branch, 505 Van Ness Ave., San Francisco, CA 94102, or at www.cpuc.ca.gov, or call 800.649.7570 or TTS 800.229.6846. If you need to contact your wireless phone insurance provider, call 888.881.2622.

Explanation of Surcharges

Surcharges include (i) a Regulatory Charge (which helps defray various government charges we pay including government number administration and license fees); (ii) a Federal Universal Service Charge (and, if applicable, a State Universal Service Charge) to recover charges imposed on us by the government to support universal service; and (iii) an Administrative Charge, which helps defray certain expenses we incur, including: charges we, or our agents, pay local telephone companies for delivering calls from our customers to their customers; fees and assessments on our network facilities and services; property taxes; and the costs we incur responding to regulatory obligations. **Please note that these are Verizon Wireless charges, not taxes. These charges, and what's included, are subject to change from time to time.**

Bankruptcy Information

If you are or were in bankruptcy, this bill may include amounts for pre-bankruptcy service. You should not pay pre-bankruptcy amounts; they are for your information only. Mail bankruptcy-related correspondence to 500 Technology Drive, Suite 550, Weldon Spring, MO 63304.

Late Fee Information

A late payment applies for unpaid balances. The charge is the greater of \$5 or 1.5% per month, or as permitted by law.

Attention California Customers

We currently collect a surcharge from customers to recover the cost of a 0.30 percent user fee that the California Public Utilities Commission imposes on Verizon Wireless. The Commission is proposing to raise this fee to 0.33 percent, and if the Commission increases the user fee rate, then Verizon Wireless will increase its surcharge rate by the same percentage for bills issued after the Commission adopts the increase. The increased surcharge will continue to appear in the Surcharges section of your bill as the "CA State PUC Fee". This surcharge is a Verizon Wireless surcharge, not a tax, and is subject to change.

Additional information

Toll-Free Number Calling Reminder

Verizon Wireless offers Caller ID Blocking service to protect the privacy of your wireless phone number. When Caller ID Block is activated, your wireless phone number will not be displayed when you call someone who uses Caller ID.

However, there are some limitations to the service. When placing calls to certain 800 toll-free numbers, or when dialing 911 emergency services, your wireless phone number may be disclosed even if Caller ID Block is activated on your wireless phone.

You should also be aware that (a) if you call a local emergency service seven-digit telephone number while Caller ID Block is activated, or (b) if Caller ID Block is not activated and you attempt to block your number by pressing *67 before dialing a local emergency service seven-digit telephone number, your wireless phone number may nevertheless be displayed. Verizon Wireless does not offer calling services to 900 toll-free numbers.

You're all set.

Autopay scheduled

\$102.31 will be deducted from your bank account on January 11.
